

# Advantage Services Housing Stability Crisis to Thriving Continuum

CommonBond  
COMMUNITIES

**Advantage Services** prioritizes **Stability** and **Independence** services for residents of CommonBond Communities, recognizing that housing stability is a critical foundation for residents to achieve their goals. Using coaching, coordinating, connecting, and advocacy, Advantage Services works with residents to resolve challenges that may impact their ability to continue to live in their CommonBond Communities housing.

## TRAUMA INFORMED CONSIDERATIONS

Trauma response and the impact on executive functioning (ie. future planning, memory, cause and effect)

Frequent check ins and follow ups on action steps

Behavioral health diagnosis/es

Keep action items focused on a step at a time

Relationships with supports (family, friends, service providers)

Offer more hands-on direct support (ie. contacting providers and resources, completing paperwork together)

Prior experiences with housing instability and/or homelessness

## CRISIS

Focus on immediate intervention and assistance to secure resources to address significant needs or challenges that could jeopardize housing stability.

## VULNERABLE

Focus on person-centered planning and resource coordination to address root challenges in preventing future housing stability crises.

## SAFE

Focus on proactive and early interventions to support increased income, access to basic needs, and lease education.

## STABLE

Maintaining stable housing and long-term financial and future planning.

## THRIVING

Focus on supporting resident agency
